

**BAKER COLLEGE
PROGRAM OUTCOMES**

BS Criminal Justice

Program Outcomes

By the end of the program, students will...

1. Examine the foundational skills, concepts, and practices used in criminal justice.
2. Apply professional communication skills, both oral and written, using technology, accurate terminology, and appropriate documentation.
3. Evaluate significant theoretical and historical perspectives as they relate to contemporary criminal justice issues.
4. Analyze past, present and future challenges of diversity, equity, and human rights in relation to the workings of the criminal justice system.
5. Apply ethical standards to the challenges of occupational and professional behavior in criminal justice.
6. Evaluate the benefits and challenges with the interconnectedness of the Police, Courts, Corrections, and the diverse community.
7. Analyze effective organizational leadership in Criminal Justice.
8. Use peer-reviewed research and data to support and interpret issues or problems relevant to the field of criminal justice.
9. Analyze the major events, trends and issues in Criminal Justice and their impact on the field and criminal justice professionals.

Effective: January 2022
